

## Arena commission comes to aid of hockey team

Kelowna Arena Commission has come to the aid of the financially-embarrassed Kelowna Packer hockey team.

Following a joint conference between the commission and the hockey team executive last night, the arena directors have agreed to postpone payment of their share of the gate receipts for the balance of the league schedule.

The arena commission, under an agreement with the hockey club, gets 20 percent of gate receipts.

"As the hockey team is now playing better, season ticket sales increasing, and an active booster club operating, the arena commission is convinced that hockey is on a strong basis," the arena commission stated in a formal statement issued this morning.

With the arena commission agreeing to postpone payment of gate receipts, the club will now be in a position to meet urgent financial commitments.

This was a second meeting in as many nights which the hockey executive has held. Last Monday at the inaugural session of the 1955 city council, hockey club president Grant Bishop warned that unless some financial assistance was received from the city, Packers may fold.

**\$5,000 DEFICIT**  
Later, Alex. Shibicky, Packer coach, in an interview said the team would complete the league schedule, even though the players forego salaries. About six weeks ago, the players voluntarily took a ten percent cut in wages to help the financially-embarrassed club.

Bishop disclosed that the club is facing a \$5,000 deficit, which may run as high as \$7,000.

Urging financial aid, Bishop said the civic-owned arena cannot operate without senior hockey, and that if the team folded, the arena may as well close its doors.

In reply, Mayor J. J. Ladd declared that other interior cities are feeling the same pinch, and thought that if the valley cannot "afford" this kind of hockey, we return to the senior "B" brand. He said council has been waiting for an approach from the hockey club, adding "it is no use burying our heads" (Turn to Page 8, Story 2)

## Back to normal

Kelowna was getting back to normal Tuesday morning after a second long week-end holiday in as many weeks.

The Orchard City was one of the first cities in the Interior to observe Little Boxing Day. With the exception of business houses where the non-statutory holiday did not apply, all retail stores and offices remained closed on Monday.

Police reported another quiet week-end. Only two men were scheduled to appear in police court Tuesday morning on impaired driving charges. No serious accidents were reported.

Christmas holiday was also quiet insofar as the police were concerned.

## Former rural mail carrier passes away

A resident of Kelowna for 38 years and a former city employee, Arthur Samuel Martin, 790 Harvey Avenue, died in hospital Monday. He was 78 years of age.

Born in Versailles, France, he spent several years in Alaska and Yukon as a young man before coming to Kelowna. He worked in the city power house for a number of years before taking over as a rural mail route carrier. He retired in 1944 when his health began to fail.

Besides his wife, Maizie, he leaves a daughter, Mrs. J. J. Tassin, of Duncan; a son, Alfred in Winnipeg, and four grandchildren.

Funeral services were held Wednesday afternoon from St. Michael and All Angels' Anglican Church, Ven. Archdeacon D. S. Catchpole officiating. Interment followed in Kelowna cemetery under the direction of Kelowna Funeral Directors.

**Baghu Singh passes away**  
Death of Baghu Singh, leader of the Hindu community in this area and a well-known farmer in the Kelowna district, occurred in hospital early this morning.

Funeral arrangements will be announced later by Kelowna Funeral Directors.

## Kelowna's armorial bearings colorful

The armorial bearings granted the City of Kelowna and designed by the Herald's College is shown above. Without the use of the colorful language of heraldry, the arms may be described as follows:

A shield with wavy blue lines on white at the base, depicting Okanagan Lake. From the waters of the lake rise three white pilions represented mountains and above these on a blue sky two red apples.

Above the shield is the knight's helmet and on it rests an apple tree bearing red apples. At the base of the tree is an old crosscut saw, emblematic of the lumbering industry and the hardships of the early pioneers.

The supporters of the arms are very appropriate. On the left is a grizzly bear, representing the derivation of the name of the city, and on the right is a sea-horse, the nearest thing the art of heraldry can come to Ogoopgo.

The motto is "Fruitful in Unity," a very descriptive phrase for Kelowna, which is known as a city where its citizens are very community-minded and co-operative. "Fruitful," too, carries a reflection of the fruit industry which is Kelowna's principal economic foundation.

The arms in color are quite beautiful. Black and white does not do justice to the design.

## Value of building permits issued in 1954 second highest since boom-year of 1948

Building-permit values during the past year were the second highest since the boom-construction year of 1948, according to figures released this morning.

Permits were issued for a total value of \$1,396,508. This was far below the 1948 figure of \$2,825,478—a record building year for Kelowna—and slightly lower than 1950 when construction was valued at \$1,481,449.

Petitioner nosed out Kelowna in the race for building honors. The 12-month figure in the South Okanagan city was \$1,554,345. Vernon placed third with a figure of \$875,635.

December building figures in the City of Kelowna totaled \$35,705. Following is a comparative list of building figures over the past ten years:

Year	December	12-Month tot.
1954	\$35,705	\$1,396,508
1953	35,705	611,374
1952	1,700	502,030
1951	5,225	1,125,385
1950	16,535	1,481,449
1949	29,500	1,027,433
1948	81,582	2,825,478
1947	110,050	1,629,881
1946	36,009	1,443,359
1945	89,025	736,100
1944	12,730	359,010

Following is a list of individual permits issued during the month of December.

## Woman sustains cuts, bruises in accident

Mrs. G. E. Morris, 731 Wolsley Avenue, sustained minor cuts and bruises Thursday of last week as a result of a three-car collision.

Accident occurred on the Vernon road a few miles north of Kelowna. Her husband's car is alleged to have skidded off the road and hit a mail box. Two other cars driven by Ray Lenzi, Summerland and James W. Evans, Vernon, plied into one another after the Lenzi auto struck the rear end of Morris' car.

## Passes away

R. A. (Bob) Copeland, one of Kelowna's early residents, died Tuesday. He was 90 years of age. A well-known resident, Mr. Copeland came to Kelowna in 1904 from Grenfell, Sask., and within a short time became vice-president of the Central Okanagan Orchards and Lands Company.

He moved to Lumby about 1931, returning here in 1942. His first wife predeceased him in 1945. He remarried a few years ago.

For many years, Mr. Copeland has been a resident of the David Lloyd-Jones Home. He celebrated his 90th birthday on June 17, and four generations of the family attended the function.

Funeral arrangements, in charge of Day's Funeral Service, will be announced after members of the family arrive from distant points.

## Cancer society annual meeting set for Jan. 10

Election of officers will be the main business of the evening when the Kelowna unit of the Canadian Cancer Society holds its annual meeting on Monday, January 10, in the South Okanagan Health Centre, beginning at 8:30 p.m. The president, Mrs. C. R. Reid, will give a complete report on the society's activities for the past year.

## Mayor outlines civic projects during coming year at initial meeting of 1955 City Council

### Retailers will hold annual parley Monday

Annual dinner meeting of the Retail Merchants' Bureau of the Kelowna Board of Trade will take place next Monday at the Royal Anne Hotel, commencing at 8:15 p.m.

Executive of the organization is urging that each store have at least one representative at the meeting. Election of officers, presentation of annual reports and general business will highlight the meeting.

**"CIVIC SUNDAY"**  
Next Sunday has been set aside as "Civic Sunday" by His Worship Mayor J. J. Ladd. Mr. Ladd made the announcement at the inaugural session of the 1955 City Council Monday morning.

## Two-way radio system installed in fire trucks and ambulance

A two-way radio system has been installed in three fire engines, city ambulance, and the fire chief's car.

## \$4,539 legal bill approved by council

City Council has approved payment of a \$4,539.34 legal bill to City Solicitor E. C. Weddell for acting on behalf of the corporation in connection with a damage suit launched against the city for depreciation of property when a power sub-station was erected.

Mr. Weddell submitted a bill for \$9,000 for defending three actions against the city; \$1,500 for agents' fees, while sundries amounted to \$39.34.

Approval for payment was not made without several murmurs from one or two aldermen who wanted to see a break-down in figures.

Mayor J. J. Ladd said he had conferred with Mr. Weddell, and one or two other people, and they all thought the bill was reasonable and justified.

The action was a lengthy one and was finally settled out of court. Mr. Weddell worked for nearly three years on the case. B.C. Power Commission and West Kootenay were also involved in the action which was finally settled out of court for \$18,500. Under settlement terms, the two power companies agreed to pay the city \$6,123. The city purchased the N. Maclellan house and this was later sold for \$8,500.

## Council okays plan to build local church

Civic heads literally raced through old business at the final sitting of the 1954 council last Monday morning. Session was held just prior to the inaugural session of the 1955 council.

Aldermen tentatively approved a plan whereby a church would be erected where the present Person's Cabins are situated, 581 Cawston Ave. The adjoining house on the property would also be improved.

A local real estate firm is acting on behalf of a church group. Mayor J. J. Ladd told council he had investigated some of the charges recently made by D. B. DeGraaf against the Kelowna Yacht Club, and that he planned to confer with Mr. DeGraaf in the near future.

Request from Jehovah Witnesses to erect a banner across Bernard Avenue in connection with the Assembly meeting slated for Kelowna January 14-16, was tabled until the next meeting. It was stated that about 500 people are expected to attend the meeting.

The group also requested use of a sound truck to make spot announcements on city streets at certain hours during the three-day parley.

Convention will be held in the Empress theatre.

Council was also in receipt of a letter, signed by a number of people stating they had no objection to a woman in the south end of the city keeping chickens. Council will now write the complainant to see if she will reconsider the matter.

**JUBILEE MEETING**  
Special meeting of steering committee of the 50th anniversary celebration committee will be held in the City Hall committee room January 13 at 7:30 p.m.

Hope that the City of Kelowna would receive additional financial assistance from the provincial government under the new equalization of assessments act, was expressed by Mayor J. J. Ladd in his inaugural address to the 1955 City Council Monday morning.

His Worship outlined his aims and hopes for Kelowna's Jubilee year at the colorful civic ceremony which was highlighted by the presentation of an official coat-of-arms to the city by Douglas Dewar, CBE, on behalf of Okanagan Investments Ltd.

In outlining a proposed program during the next 12 months, Mayor Ladd expressed the hope that the following projects would be carried out:

Blacktop approximately three more miles of roads.  
Construct more sidewalks.

Improve lanes and install more street lighting in residential areas.

Remove unsightly street light poles into lanes.  
Build a band shell in The City Park.

Construct a new museum out of current revenue, without raising taxes, providing the city receives additional financial assistance from the provincial government.

Provide new police quarters when water works equipment is moved from the present power house.

At the outset of his address, Mayor Ladd recalled that the city last year had surfaced about two miles of roads; constructed six

thousand feet of sidewalk and at the same time paid for out of current revenue, the city's share of the new library which will be officially opened this year.

**GOVERNMENT BUILDING**

With the exception of about 20 houses, the city is completely serviced by sewers; street lighting has been improved; property has been purchased to open up new sub-divisions, and the litigation in connection with the sub-station has been settled—all within the past year.

"The commencement of construction of the new provincial government court house was indeed encouraging to us, after many promises" (Turn to Page 8, Story 1)

## Police chief taking course at Ottawa

Sgt. Kelly Irving, NCO, Kelowna RCMP detachment, left Tuesday night for Ottawa, where he will take a three-month course at Canadian Police College, Rockcliffe. Course is designed to give police officers the latest instruction in crime detection. Cpl. Ed Anderson will take over as head of the Kelowna detachment while Sgt. Irving is away.

## First boy of the year yet to be born at Kelowna General Hospital

First boy of the year is yet to be born at the Kelowna General Hospital.

Total of five girls have been born since January 1, Mrs. Wilfred Joseph O'Brien, 1034 Cawston Avenue, being the first mother to give birth to a baby. Baby weighed five pounds ten ounces, and was born at 4:25 a.m. New Year's morning.

Mr. and Mrs. O'Brien moved to Kelowna a month ago, and will be the recipients of numerous gifts donated by Kelowna merchants.

So far this year, Mr. Stork has shown a preference to girls, delivering four more baby girls at the hospital.

Of interest to Kelownians is the fact that Mrs. Kenneth (Alan) France, formerly of this city, gave birth to the first baby born in Vancouver General Hospital. Mr. France is a former wing commander in the RCAF, while his wife was the former Anne Blackie.

## First baby of new year

Mrs. Wilfred O'Brien, 1034 Cawston Avenue, is shown with her new-born baby, which arrived at 4:25 a.m. New Year's Day. Baby weighed five pounds ten ounces. Mr. and Mrs. O'Brien, who moved to Kelowna a month ago, along with baby Karen Anne, will be showered with gifts donated by Kelowna merchants.

## School trustees take oath of office

Three members of the board of school trustees took oath of office at the inaugural session of the 1955 City Council Monday morning.

Left to right they are C. T. Hubbard, board chairman; Cecil Dodds, and Mrs. A. C. McFetridge, vice-chairman of the board.

Mr. Hubbard, who announced his retirement last month, agreed to run for another term at the request of many people interested in school board work.

## Famous trichologist will demonstrate how to grow thicker hair . . . and guarantees it! Demonstration to be held here

This new method of home treatment for saving and growing thicker hair will be demonstrated in Kelowna, B.C. Tuesday ONLY, January 11.

These private individual demonstrations will be held at the Royal Anne Hotel on Tuesday ONLY, Jan. 11—12 NOON to 9 P.M.

HALIFAX, December 30—In an interview here today William L. Keele, internationally famous trichologist and director of the Keele Hair and Scalp Specialists, said: "There are 18 different scalp disorders that cause most men and women to lose hair. Using common sense, a person must realize no one tonic or so called cure-all could correct all the disorders," he explained.

**GUARANTEED**  
The Keele firm, recognizing that most people are skeptical of claims that hair can be grown on balding heads, offer a guarantee," Keele said.

Once a person avails themselves to the Keele treatment his skepticism immediately disappears. To insure this, we offer this guarantee: "If you are not completely satisfied with your hair progress at the end of 30 days your money will be returned."

**HOPELESS CASES DISCOURAGED**

First the Trichologist is quick to tell hopeless cases that they cannot be helped. But the "hopeless" cases are few. Only if a man is completely bald is he in this lost category.

If there is fuzz, no matter how light, thin, or colorless, the Keele treatment can perform wonders. A complete, private examination is given by a Trichologist to determine the condition of the scalp, and cause for the hair trouble.

**FREE EXAMINATIONS**  
This examination is very thorough and highly technical. It requires 20 to 30 minutes. The Trichologist makes no charge for this examination and no appointment is necessary. After the examination the person is told the required length of treatment and how much it will cost.

After starting treatment, the person makes regular reports to the Keele firm in Kelowna to check the progress of the home treatment.

To spread the opportunity of normal, healthy hair to the thousands who are desperately looking for help, independent Trichologists are visiting various cities throughout Canada to conduct examinations and start home treatment.

**NO CURE-ALL**  
"We have no cure-all for slick shiny baldness," Keele emphasizes. "If there is fuzz, the root is still capable of creating hair and we can perform what seems to be a miracle."

There is one thing Keele wants to be certain every man and woman knows. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it should be given immediate attention.

**HAIR FOR LIFETIME**  
"If clients follow our directions during treatment, and after they finish the course, there is no reason why they will not have hair all the rest of their lives," Keele said. "Our firm is definitely behind this treatment, it all depends on the individual client's faithful observation of a few simple rules."

**HOW'S YOUR HAIR?**  
If it worries you call Trichologist H. H. Harvey at the Royal Anne Hotel in Kelowna, B.C. on Tuesday ONLY, Jan. 11—12 NOON to 9 P.M. The public is invited.

You don't need an appointment. The examinations are private and you will not be embarrassed or obligated in any way. Both men and women are welcome.

—Adv.

## Crosby rink wins local bonspiel

Gordon Crosby rink took top honors in Kelowna Curling Club's week-long Christmas Bonspiel which finished up Sunday. Crosby finished number one in "A" event in the finals against E. Smith. Verne Cummings captured first in "B" event, and Dennis Reid was second.

Glen Phillips and George Cmolik placed first and second respectively in "C" division.

## Women curlers prepare for zone playoffs

Mrs. Joyce Underhill, of Kelowna, first vice-president of B.C. Ladies' Curling Association, reminds women curlers that the local club is host to the 1964 provincial playdowns to the 1965 provincial playdowns. Club is allowed one rink for every 20 members, which may necessitate playoffs with the local group.

Zone five playoffs are being held in Peachland January 28 and 29. Entries must be in by January 10. Two winners from this event move on to compete for the Collier Trophy and the provincial championship.

These two events are being held in Trail, February 23-26.

**KNOCK-OUT EVENT**  
Every entry must play in the Collier Trophy event (a single knock-out, giving every rink a chance to play on strange ice) before the provincial championship.

Before joining the Western Canada championship, sponsored by The T. Eaton Co., the Collier Trophy was the provincial championship, but rather than discard this event it is now being held along with the provincial playoffs.

Western Canada championship, consisting of two provincial teams and four western teams, is being held in Winnipeg commencing March 14. T. Eaton Co. sponsors this event, paying travelling fares, meals, berths and hotel bills.

## Packers score third straight victory over Penticton Vees

Much-improved Kelowna Packers ran Penticton V's into the Memorial Arena ice Monday night when they walked over the Allan Cup champions 5-3 in a fast and exciting OSAHL encounter.

Jim Middleton and Val Fonteyne were big guns of the game as they both notched a pair of tallies for Kelowna. Bill Chalmers, who recently returned from Vancouver Canucks, picked up Packers' remaining goal. Penticton executions were garnered by Don Berry, Jim Fairburn and Bill Warwick.

Warwick's marker was his 100th since seeing action in valley senior puck play.

Packers held a 2-0 lead going into the second stanza and hung on for a 3-2 edge entering the final frame.

Orchard City crew had out-shot Penticton 13-1 at 15:00 of the initial canto and went on to chalk up a total of 38 shots to V's 30.

Play got off to a fast start in the first period with Chalmers scoring for Packers at 3:59 on a three-way setup made by Ken Booth and Joe Kaiser. Booth carried the puck across Penticton's blueline and laid out a pass to Kaiser, who went in and drew V's goaltender Ivan McLelland to the left of his cage and passed to Chalmers in front of the open net. Chalmers slapped the puck with his stick, bounced it off the right goal post, picked up the rebound for the final execution.

Kelowna garnered a 2-0 lead at 7:25 when Fonteyne scored from Bob Dawes. Dawes rifled a pass to Fonteyne from the face-off spot to the left of the southerners' goal. All Fonteyne had to do was poke his stick and let the puck deflect off into the goal to the right of McLelland.

Dave Wall, of Packers, picked up a high-sticking penalty at 8:17. Penticton failed to get a shot on goal while having the man advantage, as locals backed them into their own zone and completely dominated play.

**ROUGHING CALLS**  
Dawes was awarded a two-minute interference penalty at 11:48 for keeping Don Berry from getting at Ken Booth, who was carrying the puck behind Kelowna's cage. One minute later Ed Kassian, of visitors, and Jim Hanson, of Packers, were banished for two minutes on a roughing call.

That left Penticton with five players on the ice and Packers with four. Mike Durban, Jim Middleton and Garnet Schall held Allan Cup champs off and forced them into their own territory while a man short. V's collected their second shot on Kelowna netminder Bob Lalonde at 16:00 and shot their third one minute later. Alex Shibe's squad out-shot Penticton 14-6 in the first 20 minutes of play.

Bill Swarbrick, of Kelowna, received the only second-period penalty at 2:26 for tripping. But again locals forced the play while playing with a man in the "cooler."

Don Berry notched Penticton's first marker at 5:44 on a pass from Doug Kilburn. Goal was scored during a mix-up in front of Packers' net. Berry shot from close in, lifting the puck high between Lalonde and the right goal post.

**SCORE TIED**  
Play slowed down at half-way mark of fixture with both clubs strong on defensive work and weak on offensive plays.

V's tied the tilt at 15:20 on an unassisted effort made by Doug Kilburn. Lalonde stopped a high shot, juggled the rubber in the air and dropped it. Kilburn was in for the loose puck and skated to the left of the Kelowna custodian and poked the puck in the open side of the net.

Middleton golfed the puck to the right of McLelland to put Packers ahead 3-2 at 16:35 on a fast three-way relay assisted by Hanson and Ken Kiek.

Shots on goal were reversed in the second stanza, with Penticton placing 14 shots at Lalonde's door step and Kelowna making six bids for a goal.

Bill Warwick scored his 100th OSAHL goal and tied the match at 3-3 at 4:48 on a pass from McDonald. He scored from 15 feet in front of Lalonde on a shot to the right of the goal. After rifling the puck into the net he drew drawing card from the south skated behind Lalonde and picked up the puck, kissed it, and took it to the bench for permanent possession.

Val Fonteyne made it 4-3 for Kelowna on a play aided by Dave Wall and Bill Swarbrick at 9:30. Wall received a pass from Swarbrick along the boards on the right

Kelowna 6, Penticton 3

Penticton—Saturday afternoon the Kelowna Packers reaped handsome revenge for last New Year's Day's 2-1 defeat at the hands of the Penticton V's, as the hustling Kelownians whipped the Allan Cup champions 6-3 in a "Holiday Special" puck tilt at Penticton Memorial Arena.

In winning this game, the Packers not only became the first OSAHL team to beat the V's twice this season on the latter's home ice, but they have now done the tough trick twice in succession; they won in their last appearance here by a 7-4 score.

The game featured some unusual developments. The V's pretty well dominated play territorially for the first period and a half, but though they were presented with numerous scoring opportunities, many of them of the "sure" variety, they just couldn't make that red light blink behind red-hot Bob Lalonde. The winners chalked up 2-0 and 5-1 scores at the end of the first and second frames.

The latter half of the second period and most of the third showed a seemingly better-conditioned Kelowna team start to increase the pressure at Ivan McLelland's end of the arena, yet it was now the V's turn to do most of the scoring, to the surprise and pleasure of the more than 2,800 holiday-mood fans.

It was too late, however, as tenacious defence by the winners coupled with their fine opportunist style of attack kept the Penticton squad at bay, and presented the Packers with their first win in five games. They were helped considerably by weak Penticton defence.

Outstanding was the work of Jim Middleton, who racked up two goals and a pair of assists for the Packers. This was particularly welcome to the Shibeby squad as they were minus two of their better men for the game, Mike Durban and Don Culley. Dawes turned in a terrific two-way game, and was a tower of strength throughout.

Referee Blair Peters had a relatively easy game to look after until midway through the last frame when he sent Bill Warwick off on a ten minute misconduct, apparently for elbowing him. For a good 10 minutes after the call the ice was cluttered with programs and cushions and the arena rafters echoed with resounding boos, in the greatest outburst of anti-refereism by Penticton fans this season.

First period—1, Kelowna, Dawes (Middleton) 3:05; 2, Kelowna, Booth (Chalmers, Kaiser) 16:15. Penalties—B. Warwick, Schall (2), MacDonald.

Second period—3, Middleton (Amundrud, Dawes) 4:18; 4, Kelowna, Kirk (Middleton) 4:54; 5, Kelowna, Middleton (Fonteyne) 8:49; 6, Penticton, Kilburn (McAvoy) 16:30. Penalties—McAvoy.

Third period—7, Penticton, Fairburn (unassisted) 3:52; 8, Kelowna, Kaiser (Booth, Chalmers) 13:59; 9, Penticton, Kassian (Fairburn, Con-

SELECTION SLAP SHOTS . . . Referee Peters' effort in awarding eight penalties in the first frame proved successful as he just had to award one penalty in the second and third periods. . . Three closest shots of the night were made by Joe Kaiser and Jim Middleton, both of Packers and Jim Fairburn, of Penticton. Fairburn went in on the right side of Kelowna's goal, drew Lalonde out and shot the puck over top of the cage while locals were a man short at 9:00 of the first frame. Middleton's attempt was made at 15:30 of the same period when Kelowna was short-handed. He also shot above the net.

Kaiser's close one was also executed while Packers were playing with five men. He went in to the left of McLelland and shot to the right of the netminder, missing the goal post by a few inches. . . A standout for Kelowna, was Bob Dawes, who played well on defence and also made his usual rushes through Penticton's forward lines. . . Packers' next game is slated for tonight when they take on Vernon Canadians in the northern camp for a regularly scheduled OSAHL encounter.

**SUMMARY**  
First period—1, Kelowna, Chalmers (Booth, Kaiser) 3:59; 2, Kelowna, Fonteyne (Dawes) 7:25. Penalties—Conway, Wall, Kassian (3), Dawes, Hanson, Rucks.

Second period—3, Penticton, Berry (Kilburn) 5:44; 4, Penticton, Fairburn (unassisted) 15:20; 5, Kelowna, Middleton (Hanson, Kirk) 16:35. Penalty—Swarbrick.

## Senior puck parley closed to the press

Meeting of the Okanagan Senior Amateur Hockey Association executive is slated for the Memorial Room of the arena Sunday.

Executive members from all over the valley will gather to ratify league play-off dates and any protests that may arise by then.

Bill Spear, of Kelowna, president of the valley senior puck group, yesterday stated the meeting will not be open to the press or radio, as "clubs in the valley feel it would develop into a public meeting if we were to let reporters sit in."

**DEEP WELL**  
JUMPING POUND, Alta.—The Shell Unit No. 4 well in the wet gas field about 20 miles from Calgary is claimed the deepest producing well in Canada. Drilled to a total depth of 14,443 feet, it was plugged back to 10,270 feet and is now an open-flow potential of 8-100,000 cubic feet of natural gas daily.

Unable to attend Okanagan Telephone banquet at Vernon last week, Miss W. Hurding, chief operator of local exchange, received long service gift at a special luncheon held recently in the Royal Anne Hotel. R. W. Lay, one of company's directors, is shown above presenting engraved wrist watch to Miss Hurding, commemorating almost thirty-four years of service.

## Lakeview Heights veteran dies suddenly

WESTBANK—The death took place suddenly on Sunday afternoon of Reginald H. Peers, of Lakeview Heights.  
Mr. Peers had taken a party of four children skating on a pond about a mile from the ferry. On the way back to his car after the skating was over, Mr. Peers collapsed while climbing a fence. Two of the children hurried for help to the home of W. E. Darroch and Mr. Darroch in turn called Mr. Belcher of the Okanagan Auto Court. Every possible effort was made to get the stricken man to the hospital as quickly as possible but he passed away before arrival there.

The late Mr. Peers was born in England 51 years ago. After living in Ontario for some time, he moved to British Columbia and three years ago he took up land in Lakeview Heights. He served in the Air Force during World War II. He is survived by his wife and two daughters, Arly and Gail.  
The funeral will take place from Day's Funeral Home on Friday, January 7, at 3:00 p.m. The Rev. A. A. Northrop, of Summerland, will conduct the service.

Rev. John F. Kimber, missionary to Guatemala, will conclude his special series of meetings at the Peoples Mission when he gives his life story tonight at 8:00 p.m.  
Born in England, he was raised in a Roman Catholic institution. He has returned to Canada after 12 years spent in the missionary field. Public is invited.

## Noted singer, death calls Mrs. J. T. Lister

A well-known and accomplished singer, Mrs. John T. Lister died in Kelowna hospital Tuesday following a lingering illness. Forty-seven years of age, she had resided at 1039 Glenn Avenue.

For many years she was choir leader and soloist at St. Andrew's Presbyterian Church, Victoria. She was also a member of the Eastern Star Lodge, No. 5, Victoria.

Besides her husband, Mrs. Lister is survived by her mother, Mrs. Isabelle Crawford, and a brother John Crawford, both of Kelowna.

Born in Irsmton, Eng., she came to Kelowna 18 months ago. Funeral services will be conducted Friday at 2:00 p.m. from the chapel of Kelowna Funeral Directors, Rev. R. S. Leitch officiating. Interment will follow in Kelowna cemetery.

Funeralbearers will be E. W. Marshall, W. W. Taylor, E. R. Outman, W. Fray, Rev. McKenzie and L. Loughhead.

## Packers meet Vernon Sat.

Kelowna Packers next home game scheduled Saturday night in Memorial Arena when they take on Vernon Canadians in a regularly scheduled OSAHL encounter.

Canadians are fighting to edge out Kamloops Elks for second spot in league standings, while Kelowna is flying high in hope of catching the two second-place clubs.

Sometimes it really takes a fight to separate a wrong from right. To say that's right or say that's wrong, And place them all where they belong. The right or wrong that we survey—Decisions made from day to day—It's our big part in life's great game. To give each one its proper name.

## Court of Chivalry hears armorial bearings' trial

A Court of Chivalry was called a couple of weeks ago for the first time in 217 years to decide whether a variety theatre had the right to use the armorial bearings of the City of Manchester without its permission.

This, in itself, is of no great interest to readers of The Courier, excepting that it has some current interest in that Kelowna has just had official armorial bearings granted by the College of Heralds and Court of Chivalry trial does provide some heraldic atmosphere and information.

The news report of the trial said:

LONDON—A Court of Chivalry was called today for the first time in 217 years, to decide whether a variety theatre had the right to use the armorial bearings of the City of Manchester without its permission.

The Duke of Norfolk, gorgeous in scarlet tunic, gold braided trousers, and cocked hat with white plumes, presided, but the decision was rendered for him by Britain's Chief Justice Lord Goddard.

The Manchester Palace of Varieties Ltd., was enjoined to cease displaying the civic arms and armorial beasts, although it has been using them since its incorporation in 1889. The variety theatre was also ordered to pay £300 costs.

The court was opened with a procession of officers of the College of Arms, the body which the Duke of Norfolk heads in his capacity of hereditary Earl Marshal of England. The college grants and certifies coats of arms and crests.

The officers bear such magnificent titles as Rouge Dragon Pursuivant, Bluemantle Pursuivant, Lancaster Herald, Arundel Herald Extraordinary, Garter King of Arms, Norroy King of Arms, and Clarenceux King of Arms.

Led by a cleric, they marched in with their uniforms of scarlet and gold, and remained standing to hear a reading of the letters patent granted by King Charles II in 1672, under which the duke holds the office of earl marshal.

The court is the only one in Britain that is governed by the civil law, as distinguished from the English common law. Some of the evidence offered was in Norman French, including a submission by John of Gaunt in 1385.

Lord Goddard first had to consider whether the court, after 217 years of disuse, was still a legal body. He also considered what powers it had to enforce its decisions. When last it met, in 1737, the earl marshal had prisons of his own into which he could throw any recalcitrants.

But it turned out that the city and the theatre had bonded themselves in advance to meet the costs of trial and to accept the verdict. The evidence seems to indicate that in his private capacity, Lord Goddard puts no great stock in the insignia of nobility.

Although he was created a baron 10 years ago, the current edition of Debrett's Peerage is baro of arms or crest beside his name. A note says they were "not exempted at the time of going to press."

### Ski trails

The Kelowna Ski Club got off to a very enthusiastic start last week-end as a few enthusiastic skiers tried their luck on the junior hill. Snow was still scarce at the Bowl—barely five inches. Since the tow was not in operation last week-end, it was only a very few of the more hearty skiers who ventured to the top of the junior hill; the senior hill didn't have sufficient snow for even a first attempt.

With the cloudy weather prevailing, there are still hopes for better skiing this week-end. But should the snow condition still not be satisfactory a gang could get together and go to Manning Park, which is not too distant and where there is plenty of snow.

A last-minute check with Max dePuyff brought more hopeful news. Max says there should now be sufficient snow up at the ski bowl and the tow will be running this Sunday. Plan now to be among the first to initiate the new tow.

If you need transportation or have room for extra passengers, phone Dick Stewart at 2202. For membership phone Lance Tanner at 6458 or contact Allan Maxwell at the Junior High School.

### Would bolster V's lineup, if necessary

If the Canadian Amateur Hockey Association feels Penitentiary V's need strengthening when they go to Europe in search of the world hockey championship, the governing hockey body will act accordingly.

That's the opinion of Dr. Mel Butler, of Kelowna, B.C. Amateur Hockey Association president, in commenting on a radio announcement to the effect V's would attend the hockey championships in Germany next month without adding any players to their present roster.

Okanagan Senior Amateur Hockey League president, Bill Spear, of Kelowna, agreed with Dr. Butler. Spear said, "I don't think it's up to Penitentiary to decide themselves. The CAHA will strengthen them if they need it. The association will get players from east and west if it feels the need."

### Local women's curling team wins trophy

In an afternoon curling draw staged in Kelowna Curling Club before Christmas a rink skipped by Mrs. M. Cumming won the Haworth Trophy. Others on the rink included: Mrs. F. Loudon, Mrs. M. Willows and Mrs. E. Boake.

A ladies' curling rink skipped by Mrs. Frank Bobb, of Kelowna, picked up the Shirreff Challenge Trophy yesterday by defeating Mrs. M. Topham's rink of Peachland, 14-13 in a game in the southern centre.

Others on the local rink were: Mrs. Chester Owen, Mrs. A. S. Goddard and Mrs. Ron Fraser. Mrs. Ruffie, Mrs. Keating and Mrs. L. Trautman were other members of the losing rink.

### Peachland curling club holds "family 'spiel"

### Eighty years old and still likes skating

He's 80 but he still skates! That's Henry Snowsall, Glenwood Avenue, one of Kelowna's well-known pioneer citizens. Last week Mr. Snowsall donned skates for the first time this season, skating with the best of them on a rural pond. He admits that he has slowed up "just a bit" but he can also dance in lively fashion when the opportunity presents itself.

He takes a keen interest in current events, and loves gardening.

## Stremel-Francis nuptials of interest to residents of Princeton and Kelowna

Wedding vows were exchanged shades of yellow and blue respectively by Beryl Angela Francis, daughter of Mr. and Mrs. William Francis, quets of mauve and white chrysanthemums. Miss Kathy Schneider, Stremel, son of Mr. and Mrs. George who was chosen as flower girl, was afternoon ceremony at the Church of the Immaculate Conception on Dec. 29, at 2:30 p.m., Rt. Rev. Msgr. W. B. McKenzie, officiating.

The bride, given in marriage by her father, wore a three-quarter length gown of brocade satin, with lily-point sleeves. Her finger-tip veil was held in place by a matching brocade ullet cap. She wore a pearl necklace, a gift from the groom. Her bouquet was of pink and white carnations.

Miss Helen Stremel and Mrs. Martin Stremel, bridesmaids, wore identical three-quarter length gowns of net over taffeta, with matching headresses in pastel

and Mrs. J. Stremel; Lois and John Stremel of Vancouver.

After a brief honeymoon in the valley, Mr. and Mrs. Stremel will make their home in Princeton, B.C.

## Many Seventh-Day Adventists' pupils home for holidays

Seventh-Day Adventists believe in educating their youth to serve their fellowmen. For this reason they have established a chain of schools and hospitals throughout the world.

Following the ceremony, a supper was held at the home of the groom for the immediate family. A three-tiered wedding cake graced the bride's table. About 150 guests attended a reception later in the evening at the East Kelowna Community Hall.

For the occasion, the bride's mother chose a black one-piece dress while the groom's mother wore a light brown frock. Both mothers had corsages of pink carnations.

Mr. B. Bachman proposed the toast to the bride. Mr. A. J. Seiben, responded on behalf of the bride couple. Servitors for the reception were Mrs. B. Schneider, Mrs. E. Clerk, Mrs. A. Seiben, Mrs. J. Stremel, Mrs. H. Reilswig, Mrs. J. Kloster, Miss Jean Schneider and Miss Betty Schneider.

Out of town guests included Mr. and Mrs. William Francis, Mrs. G. Francis, Mrs. A. McDermid, Mr. and Mrs. J. Hilton, Mr. J. Fritz, and Master H. Francis, all of Princeton; Mr. and Mrs. F. A. Bach, Penticton; Mr. and Mrs. F. Bach, Armstrong; Mr. and Mrs. J. Drexel, Mr.

## Hither and yon

The balmy breezes of Hawaii are beckoning many Kelowna citizens and among those responding to the call are Mr. and Mrs. C. D. Gaddes, and Mr. and Mrs. J. P. Charpentier, who left last week-end for Honolulu; and Mr. Don Loane, who is now holidaying there.

Mr. and Mrs. A. J. Hill left Wednesday for Vancouver where they will spend a few days prior to leaving for Hawaii. Accompanying them is Mrs. J. Hausness. To Mr. and Mrs. W. T. L. Roadhouse the trip is now a pleasant memory. They returned to Kelowna on December 31.

**RETURNED TO VANCOUVER** ... Mr. Don Hail who is studying in Vancouver spent the holiday with their parents, Mr. and Mrs. Otto Hail.

**RETURNS TO VARSITY** ... After spending the Christmas holidays with their parents, Mr. and Mrs. W. E. Hall, of Rutland, Mr. Ken Hall returned to Vancouver, and Miss Glennys Hall to Stanford University in California where she is studying for her Master of Arts in Journalism.

**HOLIDAY GUEST** ... Miss Joan MacLaurin was a holiday guest at the home of her mother, Mrs. P. C. MacLaurin, Pendozi St.

**VALLEY GUESTS** ... Mr. and Mrs. H. Northcott, Coldstream, Vernon, visited with Mr. and Mrs. H. Snowsell during the festive season. The popular

youth received a record number of visitors during his stay, almost necessitating that boy and girl admirers queue up in order to see him.

**RETURNS HOME** ... Ruby Rauch returned to Prince George on Sunday afternoon after spending the holiday season with relatives and friends in Kelowna and Peachland.

**RETURNS FROM STATES** ... Mr. George Rannard returned last week-end from Los Angeles where he, accompanied by Mary Lou and Nancy, visited with his father.

**REVELSTOKE** ... Mr. Joe Eso, High School teacher whose home is at Okanagan Mission, has returned to Revelstoke, after spending the festive season with his family here.

**ENTERTAINS AT TEA** ... Mrs. P. C. MacLaurin and her mother, Mrs. T. Dow, were hostesses at tea last week.

**MOTHER AND DAUGHTER TEA** ... Mrs. J. B. Lander and her daughter, Miss Barbara Ann, entertained at a mother and daughter tea Christmas week. Barbara Ann has now returned to her studies at UBC.

**HOSTS AT PARTY** ... Mr. and Mrs. T. C. McLaughlin, Beach Avenue, entertained at a cocktail party in the Royal Anne Hotel in honor of Mr. McLaughlin's mother, Mrs. H. D. McLaughlin, of Winnipeg, Man., who is visiting with her son and his family.

**HOLIDAY VISITORS** ... Mr. Roy E. Burmaster and family, of Dawson Creek, B.C., were in Kelowna over the Christmas holidays visiting with Mr. Burmaster's parents on Groves Ave. Also visiting with the Burmasters was Miss Joy Ladda, of Dawson Creek.

**HOLIDAYING WITH FAMILY** ... Miss Ruth Ohs, daughter of Mr. and Mrs. J. E. Ochs, of Kelowna, in training at the Royal Columbian Hospital, New Westminster, is at present spending her annual holidays in Kelowna with her family. Visiting Ruth for the New Year's week-end was Miss Pat Gilmore, of Vancouver.

**RETURNS FROM EAST** ... Mr. Charles Henderson, of Glenmore, has returned home from a month's holiday in the East where he spent Christmas with his daughter, Mrs.

C. W. A. Baldwin has returned to the Okanagan Mission after spending two weeks with his daughter Mrs. A. Corlett, in Vancouver.

Mr. Peter Richards and Mr. Charles Fleming from Vancouver were visitors to Okanagan Mission over the New Year's Eve week-end.

Tony Bull flew to Vancouver on Friday to spend the New Year's week-end with friends. He returned on Wednesday.

The Ladies' Auxiliary to the Okanagan Mission Community Hall Association are organising an auction sale on Tuesday, January 18, at the Okanagan Mission Community Hall from 7:30 to 10:00 p.m. Lunch will be served by ladies of the committee.

The Okanagan Mission Badminton Club held a return match against East Kelowna Badminton Club at the Kelowna Badminton Club. By a very narrow margin the Okanagan Mission Badminton Club won.

Miss Pamela Drake has returned to Yubou, Vancouver Island, accompanied by her sister Miss Nancy Drake who will stay with her for a week and then in Vancouver for a few days before returning to Kelowna.

Mr. and Mrs. Glen Coe. Over the entrance was a large red crepe bow which was effective against a background of cedar boughs and in each corner the same arrangement was carried out. From all the windows hung paper streamers, silver stars, tinsel and balloons.

Mrs. John Lamont did a very effective design bordering the stage of wine glasses, exciting masks, streamers, confetti and bottles. On either side of the stage were two large snowmen. From the ceiling hung a blue crepe paper net filled with colorful balloons, which at midnight were scattered among the dancers.

Tables were beautifully decorated by Dorothy Allen and Helen Blake. The centre of the tables was covered with wall paper the sides were of red crepe with green bows.

Miss Pamela Drake has returned to Yubou, Vancouver Island, accompanied by her sister Miss Nancy Drake who will stay with her for a week and then in Vancouver for a few days before returning to Kelowna.

Mr. and Mrs. Glen Coe. Over the entrance was a large red crepe bow which was effective against a background of cedar boughs and in each corner the same arrangement was carried out. From all the windows hung paper streamers, silver stars, tinsel and balloons.

Mrs. John Lamont did a very effective design bordering the stage of wine glasses, exciting masks, streamers, confetti and bottles. On either side of the stage were two large snowmen. From the ceiling hung a blue crepe paper net filled with colorful balloons, which at midnight were scattered among the dancers.

Tables were beautifully decorated by Dorothy Allen and Helen Blake. The centre of the tables was covered with wall paper the sides were of red crepe with green bows.

## Municipalities to receive financial aid, says Bennett

Municipalities may expect relief from rising school costs under the new Assessments Equalization Act, Premier W. A. C. Bennett stated at the inaugural session of the 1955 council Monday morning.

Facetiously referring to the proposed bridge across Lake Okanagan, although he did not mention the structure by name, the premier said "... the next reference will probably be made when tenders are called."

Briefly touching on government legislation designed to assist municipalities, Mr. Bennett said municipalities will benefit "by hundreds of thousands of dollars" under the new Assessments Equalization Act.

**ASSESSMENT BOOSTS**  
In a later interview, the premier said the government's new plan for sharing school costs will be cleared through the legislature in plenty of time for municipalities to plan their budgets for the coming year.

Legislature meets January 25. At the same time, the premier gave new assurance to taxpayers worried over big boosts in assessments under the government's equalization law, being applied this year for the first time.

Some assessments have jumped as much as 60 percent. The premier reiterated that an increased assessment didn't necessarily mean increased taxes. Government grants to municipalities would be more, not less, he said.

At another meeting called Tuesday night, Bishop disclosed that the petition, protesting against the government's 15 percent amusement tax, had been temporarily shelved at the request of civic officials.

Bishop indicated following a meeting with Premier W. A. C. Bennett, Mayor J. J. Ladd and Ald. Dick Parkinson that some financial assistance may be forthcoming.

Club had been requested to withhold circulating the petition pending a meeting with the arena commission, city council and hockey executive, Bishop said.

Kelowna had planned to spearhead a drive, calling upon all sports bodies in B.C. to sign a petition protesting the increase in amusement tax from five to 15 percent. The club estimates it will have paid close to \$7,000 into government coffers by the time the puck season is over.

**OTHER TEAMS HAVE TROUBLES**  
Suggestion that the arena commission operate the hockey club in future years, with a sub-committee being appointed by the arena body, received support from the executive. Several members felt that with other valley teams also facing deficits, they too might support the proposal.

It was stated Kamloops is also running into financial difficulties and Vernon is closely on the heels. Penticton, despite having an Allan Cup championship team, also finds that gate receipts are below last year's figure.

**Annual parley of Red Cross on Friday**

The Kelowna Branch of Canadian Red Cross Society will be holding its annual meeting in the board room of B.C. Tree Fruits Ltd. on Friday commencing at 2:30 o'clock.

The branch will be honored on this occasion with the attendance of the Assistant Commissioner, S. L. Haver, the chairman of women's work committee, Mrs. A. G. Mercer and director of Junior Red Cross, Mrs. J. M. Ewing. Frank Ryall, of Vernon, regional chairman in this area, will also be in attendance.

One of the features of the meeting will be the presentation of badges of service to Mrs. Mabel L. France, of Kelowna, and Mrs. Christine Tully, of Okanagan Mission. This badge of service is a recognition by the Society of long and faithful service and, so far as the Kelowna Branch is concerned, only eight members have been so honored up to the present time.

The meeting will also elect officers for 1955, and will appoint delegate to the provincial conference to take place in Vancouver in late February.

L. R. Stephens is president of the local branch.

**B-A Oilers trek to Kamloops for cage tilt**

Kelowna B.A. Oilers trek to Kamloops tomorrow night to take on the mainline city's Merchants in a men's valley basketball league encounter.

The Oilers will be bolstered with the return of Jim Jackson and Jack Boggess, while Bill Dean, recently transferred from Vancouver, will be in strip for Oilers for the first time.

Dean was a highly-rated member of the Vancouver Cloverleafs of the coast city's "A" cage set-up before moving here.

Game gets underway at 8:00 o'clock in the Athletic Hall of the northern centre.

Full moon on Saturday. Full year ahead! Let's step bravely forward knowing that we do not walk alone.

## Nice birthday gift

The citizens of Kelowna are saying a very deserved "Thank You" to Okanagan Investments Ltd. for the presentation of officially-designed armorial bearings to the City of Kelowna. It is Okanagan Investments' birthday present to the city on its fiftieth anniversary and it was appropriate that the presentation should be made at the first meeting of the City Council in the city's anniversary year.

Kelowna has never had or used a crest. It is probable that, like many other cities have done, it would have designed a crest without any regard for the rules of heraldry and used it, had it not been for the very definite stand taken by City Clerk George Dunn who said, and rightly so, that if it were to be done it should be done correctly and it was better to be without a city crest than to have one that was not correct. And various City Councils have felt that the money required to have a proper bearing prepared could be used to more practical advantage. So the city was like a woman desiring a diamond wedding ring but willing to wear the old plain one until the family finances could afford the one she desired.

But in the city's case, it found a godfather in the shape of Okanagan Investments and it now has very appropriate and properly-designed armorial bearings. It was a handsome gesture on the part of Okanagan Investments.

While he kept pretty well in the background during the presentation ceremonies, we suspect that the idea was born in the mind of Mr. O. St. P. Aitkens and that it was he who carried on the necessary work over a period of some two years. Undoubtedly, a very large volume of correspondence passed between Kelowna and London, England, during that period. And we can imagine the consternation in the Herald's College when it was indicated that one of the supports should be a mythical (from London's point of view)

sea monster. It is understood that Mr. George Dunn co-operated with Mr. Aitkens in preparing material for the guidance of the Herald's College. Mr. Dunn since 1930 has been hopeful that the city would have a proper coat-of-arms and has acquired an extensive knowledge of heraldry against the day. His knowledge stood in good stead during the past eighteen months' preparatory work. Collaborating with Messrs. Aitkens and Dunn was Mr. A. K. Loyd and we suspect that he had a hand in the motto itself; "Fruitful in Unity" has the "Loydonian touch."

The committee, we imagine all will agree, in the matter of the whole design carried through a difficult task well. But in the motto itself, "Fruitful in Unity," the committee made a very happy and most appropriate selection. The first word carries an inference of our basic industry, but—and more important—it means getting things done and in conjunction with the other two words it means getting things done through co-operation. A broad interpretation thus could be "community spirit," a trait for which Kelowna is noted. It is a good motto and an appropriate one. At the same time it presents a challenge for the present and future citizens of Kelowna. Fruitful in Unity: get things done by working together.

Thus, Kelowna's fiftieth anniversary year has commenced in an auspicious manner. The city has a new and official motto which should provide inspiration for community accomplishments, and it has armorial bearings, officially approved by Her Majesty the Queen. It was a nice birthday present indeed and one which will play an important role in the civic life of this city in the years ahead.

## The role of Crown counsel

We have never been able to understand how a police officer who brings action against a person is a fit person to fill the role of crown counsel when the case comes to trial. It has always appeared to us that a police officer under such circumstances must be biased and, therefore is unable to fulfill the duties of Crown counsel as the office requires. In some provinces of Canada, notably British Columbia, the prosecution is handled by the police while in others the better method of appointed Crown counsel handles the prosecution.

One of the key principles of Canadian justice which is modelled on British justice and the common law of England, is that every rule for the protection of the person on trial for a criminal offense must be scrupulously observed. To put it the other way, any serious breach of such a rule can rub out a conviction. The Supreme Court of Canada has just reaffirmed this doctrine in a judgment which sets aside a verdict of guilty in a Quebec murder case, orders a new trial and contains a highly instructive definition of the role of Crown counsel. While the case was a major criminal case the remarks about the role of prosecutor are equally applicable to cases in other courts.

In the Quebec case, two of the three points made by defence counsel in his appeal to the highest tribunal in the land referred to the trial judge's charge to the jury. Normally a judge tells jurors that they must acquit the prisoner unless convinced of his guilt beyond a "reasonable doubt." The judge in this case used the word "serious" instead of "reasonable." He was chided for thus departing from usage; but the Supreme Court did not find the mistake important. The judge did err substantially, however, in failing to inform the jury that circumstantial evidence on which the Crown's case was exclusively based, must not only be consistent

with guilt but inconsistent with "any other rational explanation of the facts."

The federal judges paid most attention to the third ground of appeal, an objection to words and argument used by the Crown counsel. This officer of the court denounced the prisoner in what were called "inflammatory" terms. And he informed the jurors, laying emphasis on this part of his address, that the Crown had satisfied itself of the prisoner's guilt before laying a charge. These submissions by the prosecutor were both condemned by the Supreme Court.

"Prosecutor" is the term usually employed; but the Court's judgment seems to label it a misnomer. The Crown counsel, to use the expression that better fits his duties, is not entitled to express his personal opinion about a prisoner's guilt nor to suggest that preliminary Crown inquiries have removed all reasonable doubt. Such statements are, in effect, evidence and inadmissible because not subject to cross-examination. More than that, a Crown counsel who offers such evidence and who abuses the prisoner is wholly mistaking his function.

It is not his business to win convictions, says the Supreme Court, but to present all the facts in a judicial spirit, including those which tend to show innocence. (It is difficult to see how police officers involved in a case can perform this function in an unbiased manner). He must never regard himself as a competitor with counsel for the defence. He is permitted to ask for a verdict of guilty on the strength of the evidence but he must not vie with the defender in emotional appeals. If his temperament is such that he cannot refrain from vehement advocacy, he ought not to be a Crown counsel. In our opinion, it is most difficult to understand how a police officer involved in a case can act as prosecutor and follow the rules outlined by the Supreme Court.

## Word confusion

The English-speaking world does not all speak English. True the general language is the same but people of different countries using the same language frequently have difficulty in understanding each other.

Go, for instance, into a restaurant south of the 49th parallel and ask the waitress for a serviette and she'll give you a blank look. But ask her for a napkin and she'll hand you a serviette without question. A napkin in this country is something else again. When I was a teenager looking after my baby sister a napkin was what is now commonly called a diaper.

Then, too, speak about a chesterfield in an American home and they'll probably hand you a cigarette for what we call chesterfields they call davenports.

There are many more examples of expression that differ in Canada and the United States, but not as many, I think, as between us and the English.

For instance, suspenders in England are garters in this country and suspenders here are braces in England. To the Englishman a vest is an undershirt while here a vest is what a weekie is to the English. A run in a woman's stocking across the Atlantic is a ladder. In England a trifle is a dessert while here it is something of small consequence; two meanings which seem contradictory if you ask a woman who is watching her diet!

And English cars have bonnets and boots, though on reflection, it is perhaps no more remarkable than that they have hoods and trunks here. And they call a sedan a saloon car, which make me always wonder where they keep the bar.

The English slang is confusing, too. Take the expression "smashing." Ask any Englishman what that means and he explains "top hole" or "absolutely bang on," which I suppose means "stunning."

And take the word "horrid." The English use it freely to describe anything from the slightest indecent display to the most tragic occurrence. Then there is "frightfully decent" and "terribly nice." Could expressions be more etymologically incompatible?

A white-collar job to me is a black-coated job in England; but what I think of as a good salary the Englishman calls "a good screw." Ugh! my language would suggest "a lot of lettuce" which, I think, is more appropriate.

## Admire city's coat-of-arms

Mayor J. J. Ladd, Douglas Dewar, CBE, chairman board of directors of Okanagan Investments Ltd.; O. St. P. Aitkens, Okanagan Investments, and Premier W. A. C. Bennett are shown admiring the official coat-of-arms presented to the City of Kelowna

at the inaugural session of the 1955 City Council Monday morning. Mr. Dewar made the presentation to Mayor J. J. Ladd on behalf of the investment company.

## Vernon rural areas to vote on liquor outlets

VERNON—Following weeks of preparation by the staff of the government agent in Vernon, liquor plebiscites are to be held shortly in more than 20 centres in unorganized territory surrounding the city.

Date of the plebiscite is not yet known; officials are waiting for a writ to be issued by the government, and that will not take place until registration is complete.

The government agent's staff has broken down the unorganized territory into provincial polling divisions, and that will not take place until registration is complete.

Qualifications for polling are the same as for a provincial election—the voter must be more than 19 years of age, a British subject or Canadian citizen, have lived in Canada for 12 months and in British Columbia for six months.

Armstrong, Spallumcheen and Enderby recently held liquor votes and rejected additional retail outlets. Thus voters in the Hullcar polling division must be resident outside the boundaries of Spallumcheen and in Enderby polling division outside the boundaries of the city.

Lavington voters must be resident outside the Municipality of Coldstream, which is in itself a licensing area.

It is understood that existing retail outlets in unorganized territory will not be affected by the forthcoming polling.

Polling divisions involved are Ashton Creek, Cherryville, Hilton Commonage, Okanagan Landing, Deep Creek, Hullcar, Ewing's Landing, Fintry, Grandview, Grindrod, Hupel, Kelleston, Lumby, Mabel Lake, Trinity Valley, Shuswap Falls, Lavington, Mara, Okanagan, Oyama, Sugar Lake, Enderby.

Including Miss Hurdling, there were seven men and women to be so honored. All received engraved wrist watches as a token of appreciation.

The total service of these employees totalled more than 200 years.

Miss Hurdling has been an employee of the Okanagan Telephone Company for 33 years and nine months.

Robert W. Ley was in charge of arrangements for the dinner and ceremony, assisted by Everard Clarke, one of the directors. Mr. Ley was assisted by Mrs. Clarke in making the presentations.

Others honored and whose total years of service amount to more than two centuries, were: Martin J. Conroy, company superintendent, 34 years, six months; Miss R. Porter, traffic supervisor, Vernon, 27 years, 10 months; J. C. Langstaff, construction foreman, Vernon, 27 years, 10 months; A. E. Edwards, local manager, Vernon, 27 years, eight months; R. Robey, plant supervisor, Vernon, 25 years, three months, and C. J. Tooley, local manager, Revelstoke, 24 years, nine months.

## Mrs. Art Geen heads Rutland church group

RUTLAND—The Women's Federation of the Rutland United Church held their election of officers for the coming year at the regular monthly meeting, held at the home of Mrs. W. D. Quigley.

Presentation of annual reports will be made at the annual general meeting on January 26. President for the coming year will be Mrs. Arthur Geen, who will serve a second year in this office. Mrs. C. Goodrich also continues for a second term as vice-president. Her appointment was made for the position of secretary. Mrs. C. Shunter declining re-election for a third year, and this office will be filled at the January meeting.

Mrs. S. Beardmore was chosen treasurer, succeeding Mrs. R. E. White, who resigned because of ill health. Tentative plans were made to hold a turkey supper early in February, final arrangements to be made at the annual meeting January 26.

## MIXED FREIGHT

By G. E. MORTIMORE

Ho hum! Turkey soup for breakfast again. I think the immortal bird the poet Keats had in mind was a turkey rather than a nightingale.

"Thou wast not born for death, immortal bird!"

No hungry generations tread thee down.

Well, the hungry generations (of ten grandparents, parents and children together) do their best on Christmas Day or on New Year's Day and for many days afterwards, but the turkey endures.

Long after the last candied fig has vanished down junior's gullet, the turkey is still with us. All

the Christmas dolls and teddy bears have now been dismembered by young disciples of Jack the Ripper, but the turkey still has all his bones intact—thanks to father's incompetence with the carving knife.

If only we had given father the toys to play with, and turned the children loose against the turkey with carving knives, a much more efficient division of labor would have been accomplished.

The toys would still be in good condition, and the turkey would be scattered through the house, the drumsticks hanging on the Christmas tree, the parson's nose wedged in the chandelier, and fragments of white and dark meat peppered over the carpet like confetti.

However, we must face facts. The turkey looks a shade haggard and hung over, perhaps, but he remains in the house, a dull and stubborn Christmas guest who has outstayed his welcome.

He disappears for a while, but he is only skulking in the pantry

or the refrigerator, preparing to emerge in some new disguise—turkey sandwiches, curried turkey, fricasseed turkey, turkeyburgers, turkey giblets or (who knows?) turkey à la mode.

But he can't fool us, any more than Uncle Charley fooled us in that padded Santa Claus suit. One thing about Uncle Charley, though—as soon as he had the stuffing taken out of him, and Christmas was finished, he went away. It's too bad the turkey can't be persuaded to follow his example.

Cranberry sauce, anyone?

Scientists, prying into the lives of dinosaurs and Stone Age man, have discovered that these early citizens suffered from many of our complaints and ills. Arthritis, for instance, crippled some of our early ancestors and the dinosaur, who had an awful lot of territory to ache, has also left evidence of his suffering in the remains found.

## Who remembers when

From the files of The Kelowna Courier.

### FIVE YEARS AGO

December, 1928  
Kelownians are still digging themselves out of one of the worst snowstorms in years which brought traffic to a standstill over the long holiday week-end. And although temperatures soared to 47 above during the night, causing the snow to turn into oozing slush, Mr. and Mrs. Average Citizen are bracing themselves for more snow and rain which the weatherman insists will hit the interior sometime tonight. Lower temperatures are also expected.

Total of 22.25 inches of snow fell during the six-day period commencing on December 22, to bring Kelowna's December precipitation to a total of 28.1 inches—the highest since weather records were kept in 1899.

"Most satisfactory" was the comment of Sgt. R. B. McKay, NCO in charge of B.C. Provincial Police here, as he briefly reviewed the long Christmas week-end.

For the first time in years here there were no arrests over the holiday and the lock-up was completely empty.

### TEN YEARS AGO

December, 1918  
Commencing on Monday, New Year's Day, Kelowna will have a new postal service and mail from the east will arrive here almost half a day earlier than it has in the past. This information has been received by the Kelowna Board of Trade from Hon. W. P. Mulock, Postmaster, General, Ottawa, and concludes representations made by the Kelowna Board of Trade to have the change effected. The mail will now arrive on the Canadian National train from Kamloops, arriving here at 10:40 in the morning, instead of by the Canadian Pacific train from Sicamous which arrives here at 2:30 in the afternoon. The change will mean that the eastern mail will be available about noon, whereas under the present service it is not usually available until four in the afternoon. Five varieties of fruit—plums, peaches, pears and grapes—this year returned to growers almost twice as much as they did last year, according to pool figures recently released by B.C. Tree Fruits. Also, as the year ends, it is evident that the apple stocks on hand, despite the extremely large crop, are no larger than they were at this time in the last crop year, 1910. The pool figures of the five soft fruits this year totalled \$3,448,833, as compared to the 1910 figure of \$1,899,484.

### THIRTY YEARS AGO

December, 1903  
According to radio messages, the thermometer registered 21 degrees below zero on Tuesday evening and 23 below later the same night at Vernon. C. H. Bond, of Rutland, who secured a fine buck in the hills back of the Joe Rich canyon recently, reports that cougar are very plentiful there this season. The Chinook wind recently caused some big slides on the stage road to Summerland and, owing to the subsequent severe frost, it has been impossible to move them. The stage is at present travelling over them. The deer shooting season finished on the 15th, and Game Warden Sullivan, who returned from the Peachland district recently, states that that section of the country was alive with hunters who spent the last few days there. A large quantity of bucks were shot this year in the hills back of Peachland, where deer have been more plentiful than at other points nearby.

### FORTY YEARS AGO

December, 1893  
The cup presented by the Vancouver Sun for the largest fish caught in British Columbia during 1893 on a troll, using a light rod and reel, has been awarded to J. C. Sloan, made a remarkable catch of Clarence, of Okanagan Mission, fish a while ago, about a mile from whose winning catch was a Kam-

loops trout weighing 17 pounds. It was captured in Okanagan Lake, near Kelowna, Mr. Clarence using a light rod and line with a Clibbe spoon. Transfer of the operations of the Kelowna Creamery from the old building on Water Street north to its new premises at the corner of Mill Avenue and Pender Street was effected at the week-end. With the very latest in creamery equipment installed, the plant was voted one of the most modern of its size in the interior of British Columbia. At the annual meeting of the B.C. Tomato Growers' Co-operative Association held recently, it was revealed that the semi-ripe deal was the salvation of the growers during the 1932 season.

The price of \$10 per ton for canary tomatoes was anything but satisfactory. T. Wilkinson, of Kelowna, was re-elected president, with A. L. Baldock, also of Kelowna, vice-president. Other directors elected were R. B. McLeod, J. R. Conway and E. Uyeyama. Men prominent in all walks of life in the Okanagan gathered in the Royal Anne Hotel recently to bestow their congratulations upon British Columbia's new representative in the Dominion cabinet, Hon. G. Stirling, Minister of National Defence and Acting Minister of Fisheries. The banquet, held under the auspices of the Kelowna Board of Trade, was a most happy affair. Free from expression of any shade of political opinion, it was in every sense a gathering of "the friends of G. Stirling," whether Liberal, Conservative or Socialist, and all rejoiced in the honor bestowed upon him and the riding.

### FIFTY YEARS AGO

December, 1883  
D. Lloyd-Jones is having the old school building transformed into a house. It will be occupied by Mr. and Mrs. H. S. Scadding. This was the original school, built in 1893 and it still stands on Mill Avenue, north of Bernard. H. V. Chaplin sold \$1,000 worth of trees for the Okanagan Fruit & Land Co. while in Peachland. Summerland recently. If some enterprising citizen would put up a number of houses to rent, it would be a great advantage to the place, as there are continuous inquiries for houses from those moving in. James Harvey and sons, of Indian Head, have bought the property known as the Knox Upper Ranch from the Okanagan Fruit & Land Co. It comprises 2,500 acres, and they intend putting in a sawmill plant, as there is considerable timber on the place.

## Draft petition for sidewalk, boulevard curb

City Clerk George Dunn was authorized to draft the necessary by-law for the construction of a sidewalk and boulevard curb on the west side of Richter Street between Sutherland and Elliott Avenues. Request was tabled for next week after it was pointed out the Roadway is higher than the sidewalk. "It's going to be awkward, but we can come up with an answer that will satisfy them," remarked City Engineer George Meekling.

## Miss E. J. "Lil" Edgell named Kelowna's "Good Citizen"

Miss E. J. "Lil" Edgell, pioneer Okanagan nurse, has been chosen Kelowna's Good Citizen of 1934.

Still active despite her advanced years—she will celebrate her 91st birthday next May—Miss Edgell was chosen by Kelowna Soroptimists following a conference with representatives of other service clubs.

Born at Burrington, Somerset, on May 13, 1884, she left England in 1906, coming direct to the Okanagan. She was one of the pioneer nurses of the valley, and later operated a nursing home, but this venture folded when the Kelowna General Hospital was built in 1909.

In 1919 Miss Edgell went to California where there was a flu epidemic, staying there six months. In the years that followed she operated a kindergarten school, and gave music lessons to children. She gave up nursing at the age of 65. Not that she stopped work, however, for occasionally she picked apples and worked in the cannery and packinghouses.

In recent years, she has taken an active interest in Sunnyside Centre, a school operated for retarded children. During the Korean war she found time to knit socks for soldiers, and send clothing to other needy countries. Although her bicycle has been put away for the winter months, Nurse Edgell is a familiar figure on her Landolt "steed" during the summer months.

## Changes in hospital group's by-laws may effect employees

VERNON—Amendments to the Vernon Jubilee Association, which would mean that in future no employee of the hospital can be a member of the association.

That is one of a number of by-law changes to be discussed at an extraordinary general meeting of the association to be held in the Junior High School auditorium on January 5 at eight o'clock.

Later, the directors will call an annual meeting for election of officers and consideration of yearly reports.

Next week, however, members of the association will have an opportunity to discuss and vote on a completely revised set of by-laws made public by administrator J. O. Dale this week.

Concerning membership of the association by hospital staffers, it was learned that the department of health and welfare has insisted on the ban. Several of the hospital's directors fought against inclusion of

## Heads CPR public relations

Mr. and Mrs. H. Bond spent the Christmas holiday in Penticton with their daughter and son-in-law Mr. and Mrs. J. Shearer.

## Rutland W.I. members have active year

RUTLAND—The Rutland Women's Institute met at the home of the president Mrs. R. Ruffl. Due to icy road conditions attendance was less than had been hoped for. Election of officers was to have been held, but this was postponed until the next meeting.

The secretary, Mrs. George Muggford, gave a report on the finances and the year's activities. Principal activities had been the annual flower show, assistance with the T.T. clinic, the arthritic campaign, and a number of interesting speakers had addressed meetings.

The Institute had catered to the annual teachers convention supper, and had given a banquet to the graduating class of the Rutland High School.

Gross receipts during the year were \$555,000, and expenses \$342,000. Donations were voted to the Queen Alexandra Solarium, the Crippled Children's Hospital and Salvation Army, and to assist in the transportation expenses of Junior Red Cross delegates to Jasper, B.C., and to Sweden. A drive for new members was discussed, as the Institute membership is not as large or representative of the district as it should be, only a few persons carrying the load of responsibility. The annual "members and husbands" supper is planned for February again. At the close of the meeting, Mrs. Ruffl served refreshments to the members.

Fresh fruit should always be stored carefully, away from warmth and light, and protected from bruising. To retain the maximum flavor and food values, cutting and paring should be left until the last minute.

## New era of industrial prosperity forecast for British Columbia with announcement of natural gas pipeline from Peace River

(By Canadian Press)  
Specially Written for The Courier  
A new era of industrial prosperity for British Columbia has been forecast with the signing of an agreement for a natural gas pipeline from the Peace River through Vancouver to the United States.

A village commissioner said it now is the city of destiny. "Everything that happened at Edmonton, Fort Worth, Tulsa, or Oklahoma City will now happen here."

But Fort St. John, "shunted so long from one promise to another," is still wary of the plan, in the words of Margaret L. Murray, publisher of the newspaper there.

At Prince George, municipally-owned land jumped in price three hours after details of the pipeline were announced. Mayor Gordon Bryant said the city will now consider immediately the question of expanding its boundaries.

At Kamloops, A. V. Fraser, chairman of the village commissioners, foresaw industrial expansion for the community for the next 10 years.

Sawmills in Merritt may be powered by natural gas while greater diversity of industry through the interior was predicted by Penticton's Mayor Oscar Mattson.

Kamloops would like to study the feasibility of gas there as a public utility. Mayor J. E. Fitzwater said "a great victory has been achieved."

And at Dawson Creek, village commissioner Ronald Dahlen declared "this means the biggest boom ever to hit the Peace River. In importance it exceeds the construction of the Alaska Highway in 1942."

Premier Bennett, who said Canadian labor and materials would be used in constructing the \$100,000,000 line through the heart of B.C., predicted "a tremendous effect on the province's economy."

No estimate of taxes from the line and its products was forthcoming from either the premier or Land Minister Sommers.

At Dawson Creek, village commissioner Ronald Dahlen declared "this means the biggest boom ever to hit the Peace River. In importance it exceeds the construction of the Alaska Highway in 1942."

Premier Bennett, who said Canadian labor and materials would be used in constructing the \$100,000,000 line through the heart of B.C., predicted "a tremendous effect on the province's economy."

No estimate of taxes from the line and its products was forthcoming from either the premier or Land Minister Sommers.

## Letters to the editor

CUMULATIVE FLUORINE POISONING

The Editor, Kelowna Courier.

Dear Sir—Will you allow space in your paper for more facts about fluorine?

The following was taken from 21st edition, "Feeds and Feeding" by Morrison:

"A very small amount of fluorine is contained in teeth .02 to .05, also traces in the hair."

"Fluorine is a violent poison, it is cumulative poison, even very small amounts have a poisonous effect, it steadily consumed over a long period. The chief effect is upon teeth and bones. The teeth have faulty enamel, are soft, so that they wear down fast and so much, that animals are unable to chew their food. In some cases teeth are worn down to the pulp cavities and are so sensitive, that animals will not drink cold water because of pain, but lap it up with the tongue, like cats or dogs."

"The bones become soft and are often enlarged. In addition to these effects, animals suffering from fluorine poisoning, have poor appetites, young animals fail to gain normally, older ones lose weight and milk production is greatly reduced."

"It is of interest to mention, that presence of more than 5 to 2.0 parts fluorine to the drinking water per million, causes serious conditions, known as mottled enamel on the teeth of children."

"The word cumulative means gathers, or amasses in the body, does not pass out of the body."

What will be the condition of a person who consumes the proper amount of water daily, when that person reaches 70 years of age, having taken in his body fluorine for so many years.

The above statement does not agree with statements made by some doctors and dentists. As far as I am concerned, it will not affect me, because I am now too old to be what the children of today be like, forty or fifty years from today? Thank you.

P. L. BOURQUE.

P.S. We were up to Armstrong visiting over Christmas week-end and friends showed us this article. I thought I had better bring it to attention of the public.

## Kamloops district also has outbreak infectious jaundice

KAMLOOPS—There has been a considerable incidence of Infectious Jaundice or Infectious Hepatitis (as it is officially named) in the South Central Health Unit in recent months advises Dr. D. M. Black, MHO. Over 50 cases have been reported and it is probable that many more mild cases have occurred.

A similar outbreak was reported in Kelowna earlier this year, and necessitated the cancelling of blood donor clinics.

Infectious jaundice is transmitted household cleanliness. Hands from person to person by a specific visit to the toilet and before eating. All excreta should be disinfected through a sewage system, properly constructed septic tank or in a protected and flyproof privy.

When a case exists in a home additional precautions are wise. All excreta should be disinfected by standing for two hours in a strong solution of chlorine. This may be prepared by adding two tablespoons of chlorine solution (Perfix, Javex, etc.) to a gallon of water or a cupful to five gallons. The underwear of the patient should also be soaked in chlorine or boiled before laundering. Dishes should be similarly boiled or steeped in chlorine.

PERIOD OF INFECTIVITY Cases excrete the virus and are therefore infectious for some days or even weeks before the onset and remain infectious for a considerable time, probably about a month, after recovery. There is a long incubation period, average about 30 days, between the time of absorbing the virus and the development of infection.

TREATMENT As this is a serious disease every case should be under the care of a physician. All doctors are agreed that complete rest is important. Too early return to work or activity may cause a relapse. Follow your doctor's orders in regard to diet and other measures. Take every precaution to protect others.

SUMMARY Infectious jaundice is a serious disease transmitted from person to person. No protective vaccine is available and the spread is so insidious and the incubation period so long that quarantine is not practical. A high standard of personal and household hygiene is the best safeguard.

Sickness of the mind is comparable to sickness of the body in frequency of occurrence and in the fact that early treatment can often cure the disease. Mental illness is no more shameful than any of the bodily ills and the idea once commonly held that mentally sick people must be hidden away and the trouble hushed up, is now giving place to the knowledge that the mind can become ill, be treated and a cure result, sometimes after only a short period in a special ward of a general hospital.

SAND and GRAVEL TOP SOIL and FILL DIRT BULLDOZING J. W. BEDFORD 2021 Stirling Place

He said he would ask the aldermen to be "not too free in spending of money until we know just where we are going to stand next year, and particularly not to start compiling your estimates because none of you knows which department he will be heading."

In turn, the aldermen thanked the mayor for help he had given them during the year. Ald. Monk paid special tribute to City Engineer F. G. deWolf, City Clerk Ian Garven and their staffs.

The mayor went on to warn that "while we had some difficulty in arriving at some of our expected grants last spring, I have in the back of my mind that it will be still more difficult to arrive at what they will be in the coming year."

He said he would ask the four remaining aldermen, Jack Monk, Fred Harwood, Harold Down and W. A. DeWilde, to "carry on" in their present departments at the start of the new year, "until we have our new alderman."

The mayor was making reference to the closing of nominations on January 7 to fill the vacancy created by the inability of Ald. George Melvin, acclaimed for a further term earlier this month after six years in office, to take his seat owing to a change in property qualifications outlined in the Municipal Act.

But to avoid asking any alderman to shoulder an additional burden, the mayor said he would take on the duties of waterworks chairman for the time being.

Concerning finances, the mayor said there would be a considerable length of time before next year's estimates could be brought in.

"It will all depend," he said, "on how long the court of revision will take to complete any appeals or whatever is necessary for completion of the assessment roll."

## Two more valley exchanges will "go dial"

Following receipt and study of tenders from several manufacturers of automatic telephone exchange equipment the Okanagan Telephone Company has now placed an order for the dial equipment for its Enderby and Revelstoke exchanges.

The Automatic Electric Co. (Canada) Ltd. is no stranger to the Okanagan system having previously supplied and installed dial exchange equipment in the Telephone Company's exchanges at Armstrong, Lumby, Oyma, Winfield, Westbank, Peachland and Summerland.

The telephone company has set September, 1956, as the "cut-over" date for Enderby with the Revelstoke exchange to follow in December of the same year. Actual installation work in these exchanges will commence about six months previous to the actual "cut-over" dates.

New exchange buildings to house this automatic equipment are to be erected in both exchanges and the Company is now working on preliminary building plans for these. It is expected that tenders for this work will be called early in 1955 in order that construction work can be carried out during the summer months.

## Golden Fish 'n' Batter

Heat shortening (it should be at least two inches deep) to 370° in a deep-frying pan. (If a fat thermometer is not available, test fat temperature with a cube of bread—the bread should brown in 60 seconds). Cut 1 pound fillets of any suitable fish into serving sized pieces and sprinkle lightly with salt. Mix and sift into a bowl 1 c. once-sifted pastry flour (or ½ cup once-sifted all-purpose flour), 1½ tsps. Magic Baking Powder and ½ tsp. salt; stir in ¼ c. very cold water and beat until batter is very smooth. Dip fish pieces in batter and then fry in heated shortening, turning once, until golden. Drain thoroughly on absorbent paper, sprinkle lightly with salt and keep hot until all fish has been cooked. Yield—4 servings.

## ANNOUNCING NEW CRAFT COURSES

at  
**Jamison's**

Here is the latest information on Hobbycraft courses for winter and spring, being held in the craft-classroom at Jamison's Hobby Shop, 1571 Pendozi Street.

### LEATHERCRAFT

Another beginners' course will be starting Wednesday evening, January 12th, under the instruction of Mr. Ed Gabel. This is a seven week course, with a registration fee of only 25 cents per class. When you finish this course, you will have completed three useful leather projects, including a handbag, and you will know the basic techniques of tooling and carving leather. There is room for just a few more students in the January 12th course. Register now.

### FLOWERCRAFT

A new schedule of flowercraft classes is now available at the store. These free classes are held each Tuesday and Thursday evening, and in the next few months, you will find many new and interesting flowers scheduled, with instruction by Mrs. Goetz and Marlene Jamison.

### COPPERCRAFT

On Monday, January 10th, another 8-week course in copper tooling will begin, under the direction of Mrs. Murdoch. This course is already filled, and you are advised to register now, for the next open course, on February 21st. In this popular craft, you learn to make copper pictures, planter boxes, cigarette boxes.

### DRESDENCRAFT

The painting of Dresdencraft figurines is an entertaining and delightful hobby. It is inexpensive and easy to learn. Late in January, we are planning a one-evening demonstration in this craft, and there is still room for 4 or 5 more students. If you are interested, please register at the store.

### COPPER and WIRE JEWELLERY

Distinctive and original jewellery can be made with miniature tooled copper, and with twisted copper and sterling silver wire. You can learn to make ear-rings, bracelets and necklaces that you will be happy to own, and proud to give as gifts. A class in this new craft is scheduled for Friday evenings, as soon as enough interested persons have registered. The cost will be 25¢ per class. Register soon.

## LOWER RATES

### ON Niagara Loans

You might think that rates on loans are exactly the same from company to company. This is an idea that could cost you money, for Niagara Finance has a rate structure that is lower in many cases, and here's the reason why. It's a matter of policy with Niagara to believe that it is no more trouble to make a loan of \$500 than it is \$100.00... and, if the rate of charge was exactly the same on both loans we'd obviously make more money on a \$750.00 loan. So we work on the idea that on loans for larger amounts the rate should run "downhill", while at the same time rates on smaller amounts are standard. Besides that, we think you'll like our idea of having loans at no extra cost to you. That's the sort of protection that a family man can appreciate. Come in and see us if you need money; we'd like to meet you.

## Elks win 5-4 after overtime

VERNON—A goal by Gord Kerr at 128 of the overtime period gave Kamloops Elks an uphill 5-4 victory over Vernon Canadians in a hard-fought OSAHL fixture here Monday.

For the Elks it was the fifth straight win and the third straight over Canadians and drew them into a second place tie with the Vernon club.

Vernon spotted the Elks a 3-1 lead midway through the second period before catching fire to rap in three within five minutes and skate off with a 4-3 lead after 40 minutes. However, Bill Hryciuk rifled in a hot 20-footer on a clean chance at 14:33 of the third to tie it up and force the overtime.

Kerr's winner came on a neat hook shot, his back to the open net after a scramble in front of Vernon goalie Jack Gibson.

Canadians held an edge in play and poured 44 pucks at Elks goalie's big it fooled them time and again.

The wide open contest also saw Frank King light into a fan with fists flying after the spectator had been needing Sherm Blair in the penalty box late in the overtime. He was banished with a misconduct for his troubles.

### SUMMARY

First period—1, Vernon, Bidoski (King, Lavell) 3:43; 2, Kamloops, Millard (Lucchini, Hergesheimer) 12:20. Penalties: Schmidt, Connors, Creighton, Davidson.

Second period—3, Kamloops, Slater (Hryciuk) 4:07; 4, Kamloops, Amundrud (Kerr) 12:39; 5, Vernon, Gilday (Lowe) 14:15; 6, Vernon, Blair (Agar, Lavell) 18:22; 7, Vernon, King (Bidoski, Davidson) 19:05. Penalties: King, Slater.

Third period—8, Kamloops, Creighton (Millard) 13:33. Penalties: McLeod, Kerr.

Overtime period—9, Kamloops, Kerr (Hryciuk, Slater) 1:27. Penalties: Blair, Slater, King (10 mins.).

Recreation is necessary to workers and students, not only as a stimulation to health but also as a mental tonic. It may take the form of exercise for the sedentary worker, in such ways as hiking, winter sports or active hobbies.

## Middleton moves up in scoring

Kelowna Packers' Jim Middleton was in third spot in OSAHL individual scoring standings in games played up to and including Saturday. Middleton was eighth in standings a week ago and has been picking up points steadily to give him a total of 38 points, 16 on goals and 22 on assists. Holding number one position is Bill Warwick, of Penticton, with 28 goals and 18 assists for 46 points. Jack McDonald, also of Penticton, is in second place with 11 goals and 33 assists for a total of 44 points. Middleton has played 32 games this season, while Warwick has been in action 38 times and McDonald has played in 37 encounters in league play this season.

Ivan McLellan continues to lead the goaltenders with an average of 3.30 goals against in 37 games. Bob Lalonde, of Packers, has moved up to third place with a 3.81 goals-against-average in 32 encounters this season.

Moose, Venison, pheasant, turkey, bear, buffalo, cootie cutlets, Steelhead trout and cougar are a few of the meats on the menu for Kelowna and District Rod and Gun Club's 27th annual game banquet to be staged in the Anglican Parish Hall next Wednesday.

Guest speaker will be C. P. Lyons, public relations officer of the parks board of the B.C. Forestry Service, Victoria. Mr. Lyons is an author in his line and a very interesting speaker. His address will be illustrated with color slides and color movies of B.C.'s hinterland and beauty spots depicting unusual features and wilderness, means of travel and wild animal sequences.

Entertainment for the annual feast will be supplied by well-known Red Hughes, of Kelowna. Banquet gets underway at 6.00 p.m.

## Canucks beat Packers 4-2

Vernon Canadians completely outskated and outplayed Kelowna Packers to take a 4-2 victory before one of the smallest crowds of the season in Memorial Arena Thursday night.

Game, which failed to excite the few in the stands, was ragged and saw Kelowna lacking the drive which has featured their latest encounters.

Losers' captain, Don Culley, out of action with injuries, coached the Orchard City squad in the final frame as mentor Alex Shibicky took to the stands to get a better view of his puckchaser. This was the second time Culley has taken over Packers' reins; first time was a month back when he guided them to handling Penticton V's their first setback on home ice this season.

Play was slow in the initial canto as both clubs failed to follow up their few plays.

Visitors were the first to climb on the scoresheet when veteran defenseman Tom Stecyk scored on a slow three-way play aided by coach George Agar and Mike Gilday at 4:43 of the first. Stecyk picked up a pass from Agar, walked in 10 feet from Kelowna's blue line and shot the rubber to the right of Packer netminder Bob Lalonde.

TIED SCORE  
Jim Middleton from Norm Kirk tied the tilt at 1-1 at 15:30. The much-improved Kelowna forward scored four seconds after a faceoff to the right of Vernon's goal when he lifted a backhand to the right of Hal Gordon in visitors' cage.

Orvall Lavell received the only cooling session of the first frame on an interference penalty at 6:25.

Vernon out-shot Kelowna 11-8 in the initial 30 minutes.

Merv Bidoski put Canadians ahead 2-1 at 1:53 of the second stanza on a play started by King and Davidson. The young Vernon star picked up the rubber at Kelowna's blue line, skated in and poked the puck between Lalonde's legs as the latter was going down on the fast play.

Lavell finished the second-period scoring at 17:19 on a rebound from Johnny Harms, who was in on the Packers' goal and shot the puck at Lalonde's stick, where Lavell picked it up and golfed it past the Kelowna custodian.

Kelowna confronted Gordon with

eight shots in the second period, while Vernon had nine shots on goal.

Willie Schmidt was handed a two-minute holding penalty at 9:04 of the final frame. Culley added an additional forward to the line of Ken Booth, Dave Wall and Bill Chalmers when he put Jim Middleton on defence with defenceman Bob Dawes. But it didn't help Packers any, as Vernon continued to tie them up at centre and in Kelowna's territory while northerners were a man short.

Mike Durban put Kelowna back in the game at 18:27 when he rifled the puck past Gordon on a relay started by Chalmers and Dawes.

Odle Lowe drowned Packers' hopes at 17:14 when he golfed the puck to the left of Lalonde on a three-way play which included Harms and Don Jakes. Goal followed continual fast action at Kelowna goal mouth as visitors made it evident they were playing for keeps.

One minute later Lowe was sent to the "cooler" for flipping Harms' stick out of his hand at centre. Son's stick out of his hand at centre.

Culley pulled Lalonde from his cage with less than one minute to play and Kelowna iced seven players. Lowe leaned out of the penalty box and banged his stick against the boards to draw referee Blair Peters' attention to the added 4:43 of the first. Stecyk picked up a pass from Agar, walked in 10 feet from Kelowna's blue line and shot the rubber to the right of Packer netminder Bob Lalonde.

Penalties: Schmidt, Lowe (2 min. plus 10-min. mis.).

Carbon tetrachloride is a highly toxic chemical which is frequently used in the home as a dry cleaner. Many people do not realize the great danger of the fumes from this chemical. They can easily prove fatal.

er to the Packer bench. No penalty was awarded for the extra man as play had not started.  
Kelowna out-shot visitors 11-10 in the last 20 minutes.  
Blair Peters was referee and Johnny Culos was linesman.

GEORGE O. VALE, MANAGER

This advertisement is not published or displayed by the Liquor Control Board or by the Government of British Columbia

THE GOVERNMENT OF THE PROVINCE OF BRITISH COLUMBIA

Take notice that the Liquor Control Board of British Columbia, with the approval of the Lieutenant-Governor in Council, has designated the following area as a Licensing area for the issuance of licences under the "Government Liquor Act, 1958":

DESCRIPTION: LICENSING AREA No. 146  
South Okanagan Electoral District save and except—  
The Corporation of the City of Kelowna.  
The Corporation of the District of Peachland.  
The Corporation of the District of Summerland.  
The Corporation of the District of Glenmore.

And further take notice that the Government of the Province of British Columbia will submit to a vote of the electors in the aforesaid licensing area, under the "Liquor-control Plebiscites Act", R.S.B.C. 1948, Chapter 198, the questions hereinafter set out—

- Are you in favour of the sale of beer, ale, and stout only under a public-house licence for consumption on licensed premises?  
(Note: A public-house licence will be similar to the present beer-parlour licence.)
- Are you in favour of the sale of beer, ale, stout, and wine only under a dining-room licence for consumption with meals on licensed premises?  
(Note: Dining-room licences will be granted to hotels, restaurants, clubs, railway-cars, steamships, and resorts.)
- Are you in favour of the sale of liquor under a dining-lounge licence for consumption with meals on licensed premises?  
(Note: Dining-lounge licences will be issued principally to what are commonly known as cabarets, and to clubs.)
- Are you in favour of the sale of liquor under a lounge licence for consumption on licensed premises?  
(Note: Lounge licences will be issued to cocktail-bars. They will be granted only to clubs, hotels, resorts, railway-cars, and steamships.)

The result of the plebiscite taken under the "Liquor-control Plebiscites Act" will be considered by the Liquor Control Board as having a like effect as a vote conducted under the "Government Liquor Act, 1958" when dealing with applications for licences in respect of premises which are not presently licensed under the "Government Liquor Act, 1958". It will not affect the issuance of licences in respect of premises which are presently licensed under the "Government Liquor Act," R.S.B.C. 1948, Chapter 192.

And further take notice that the Liquor Control Board will receive applications for licences in respect of premises within the aforesaid licensing area which are not already licensed under the aforesaid "Government Liquor Act" after the result of the plebiscite held under the "Liquor-control Plebiscites Act" is made known.
